

## FFA Students Participate in Collin County Livestock Show

Jan 27, 2016

The Collin County Junior Livestock Show was held January 4-9 at Myers Event Park in McKinney.

Students from throughout Frisco ISD were able to exhibit their livestock, floral and agricultural mechanics projects through their FFA chapters.

Students put in countless hours of hard work over the summer and fall to prepare their project to be in peak condition for the show. Their hard work paid off with success throughout all areas of the show.
